Att: Health Dept of San Jose del Cabo

Would you please send an inspector to the Los Zacatitos neighborhood? We have an open pila on a deserted jobsite that has caused a major problem with mosquitos. The construction site is located in Manzana B, Lot 3. The construction is unfinished by owners Peter and Pauline Roth. The builder is Joe Neid. Thank you for your inspection.

Lynn M and Lynn G. Cranmer
Lot 11, Manzana A
